3. The Contracting Parties shall adopt measures in respect of catches taken in directed fisheries

## Recommendation 01 : 2025

for shallow and deep pelagic beaked redfish (*Sebastes mentella*) from the Irminger Sea and adjacent areas to ensure that:

- (a) no landing, transshipment and other port services are provided in its ports to vessels with such catches on board;
  - (b) no transshipments involving such catches are permitted to any vessels in its waters or by vessels flying its flag regardless of where the transshipment takes place; and
  - (c) no refuelling or support services are provided by vessels flying its flag to vessels with such catches on board.
4. The Contracting Parties shall notify to the NEAFC Secretary the measures referred to in paragraph 3, who shall transmit that information to all Contracting Parties without delay.
  5. This Recommendation shall be reviewed if ICES provides new scientific advice that is different from the current advice for these stocks.
  6. The NEAFC Secretary will inform other RFMOs on the measures taken by NEAFC on Irminger Sea redfish stocks.
