## Notification

With reference to the letter sent to you by the Faroese Ministry of Fisheries dated 9 May 2017, and with reference to section 8.1 of the Protocol of the Fortieth Session in the Joint Faroese – Russian Fisheries Commission, which reads as follows:

*“The Faroese Party informed the Russian Party that from 1 January 2018 any landing, or transshipment, in Faroese ports by Russian vessels need to comply with the relevant requirements under Executive Order No. 67 of 1 July 2012, according to which any landing, or transshipment, in Faroese ports shall be conducted according to a Faroese weighing system, which is duly authorized by Faroe Islands Fisheries Inspection.”*

Faroe Islands Fisheries Inspection hereby informs the Russian Federation that the above cited provision in Section 8.1 will be adjourned to a later date.

You will be informed in due time when a new date has been fixed.

Yours sincerely
